

SOUTH VALLEY WATER RECLAMATION FACILITY
NOTIC INVITING BIDS
SEALED BIDS DUE 2 PM FEBRUARY 28, 2018

The South Valley Water Reclamation Facility (“SVWRF”) is soliciting competitive written, sealed bids from proven and competent contractors with experience in wastewater facilities for the rehabilitation of clarifier structures and hardware. The Work includes: rehabilitating hardware, blasting and coating of clarifier structures and hardware, adjustment and recommissioning of clarifier mechanisms. The Work will be located at SVWRF on 1300 West and 7495 South in West Jordan City, UT, 84084.

The bids will be opened and read at 2 PM on February 28, 2018, at the office of SVWRF located at 7495 South 1300 West, West Jordan City, Utah, 84084. Emailed bids will not be considered. Any Bids received after the specified time and date will not be considered. The lowest complete and responsive bid will be the basis of award.

Plans, Specifications, and the Bid Schedule are available for electronic download at www.svwater.com under Engineering and then 2018 Clarifier Rehab Project. By submission of a Bid, the Bidder guarantees the Total Bid Price for a period of 30 calendar days from the date of bid opening.

Technical communications relative to this WORK shall be directed to the JWO Engineering, PLLC, Jared Oldroyd, P.E. at (801) 828-7805, jared@jwoengineering.com. The SVWRF reserves the right to reject any or all bids, to waive any informality in a bid, and to make award to the lowest responsive, responsible bidder as the SVWRF in its sole discretion shall determine may best serve SVWRF’s interest.
