Laboratory Technician

South Valley Water Reclamation Facility is accepting applications for a Laboratory Technician. Duties include the chemical and biological analysis of wastewater and sludge samples, preparing standards and reagents, collecting samples, and maintaining laboratory equipment.

This position is a rotating 10-hour shift working days, including every other Saturday and some holidays. Applicants **must** have a Bachelor's degree in chemistry, microbiology or another related field.

This is a fulltime position with an excellent benefit package which includes medical, dental, vision, state retirement, retirement health savings plan, short/long term disability, vacation, sick leave, and paid holidays. Salary is \$23.69/hour. Physical/Drug testing is required. Equal Opportunity Employer.

Employment applications are available on our website at www.svwater.com, under the customer service tab, then click on human resources. Please send resume/employment application to svjobs@svwater.com, or apply in person at 7495 South 1300 West, West Jordan, Utah 84084.

Position closes at 5:00 pm, Tuesday, March 28, 2023.
