**REQUEST FOR BIDS**

The South Valley Water Reclamation Facility requests sealed bids for the construction of the SVWRF Diffuser Replacement Project. Sealed Bids will be received at the office of South Valley Water Reclamation Facility, 7495 South 1300 West, West Jordan, Utah 84084, until 2:00 PM, on Thursday, September 13, 2018.

In general, the work consists of removing and replacing approximately 10,000 membrane diffusers in an activated sludge bioreactor.

Interested parties may contact the office of the OWNER located at 7495 South 1300 West, West Jordan City, Utah to schedule a site visit to inspect the proposed work before submitting a bid. The OWNER's representative is Mr. Taigon Worthen, P.E. at Telephone. No. (801) 495-5469 or via e-mail at [tworthen@svwater.com](mailto:tworthen@svwater.com).

The Contract Documents are entitled "South Valley Water Reclamation Facility – Diffuser Replacement". The Contract Documents may be obtained by bidders, subcontractors and equipment suppliers electronically from the website of the South Valley Water Reclamation Facility, 7495 South 1300 West, West Jordan, Utah 84084, online at [www.svwater.com](http://www.svwater.com), files are located under the Engineering menu. Contract Documents are also available at the State Procurement website, SciQuest. Electronic files will be available on Wednesday, September 5, 2018.
