## NOTICE INVITING STATEMENTS OF QUALIFICATION

The South Valley Water Reclamation Facility requests Statement of Qualifications from Professional Land Surveyors and/or Engineering Firms for conducting a survey of existing sewer piping within Salt Lake County. Firms interested in providing this service are directed to provide company information and experience to South Valley Water Reclamation Facility. SOQs will be accepted until April 15<sup>th</sup>, 2020 at 4 PM. Electronic submissions of SOQs may be sent to [tworthen@svwater.com](mailto:tworthen@svwater.com). At this time, due to concerns with COVID-19 and in an effort to minimize spreading of the disease hand delivered submittals will not be accepted.

The purpose of the surveying will be to map the location of the sewer pipeline, confirm its location relative to documented easements, and possibly provide legal descriptions related to the sewer pipeline and easements.

The South Valley Water Reclamation Facility is located in West Jordan City, UT. Interested parties may contact Mr. Taigon Worthen, P.E. at Telephone. No. (801) 495-5469, or via e-mail at [tworthen@svwater.com](mailto:tworthen@svwater.com).
