

**SOUTH VALLEY WATER RECLAMATION FACILITY  
NOTICE OF INTENT TO SOLE SOURCE PROCUREMENT**

April 2, 2026

---

Pursuant to UTAH CODE ANN. §63G-6a-802, public notice is hereby given that South Valley Water Reclamation Facility (“SVWRF”) intends to conduct a sole source procurement for the purchase of engineering services for design and construction related services associated with the upgrade and replacement cathodic protection system components throughout SVWRF.

Conducting Procurement Unit:	South Valley Water Reclamation Facility
Procurement Unit Acquiring Procurement Item:	South Valley Water Reclamation Facility
Solicitation Opening Date:	April 2, 2026
Solicitation Closing Date:	April 20, 2026
Issuing Procurement Unit Contact Information:	Lee Rawlings (801) 566-7711 Monday–Thursday 7:30 a.m. - 5:30 p.m.

The SVWRF intends to award a task order without competition for continuation of professional engineering services for construction related services for previously designed improvements on SVWRF’s cathodic protection system. It would be cost prohibitive to incur transitional costs to choose a different provider. SVWRF intends to award this sole source procurement to Carollo Engineers. Carollo Engineers was the professional engineering firm which designed the planned multi-year improvements to SVWRF’s cathodic protection system. Parties who wish to obtain a copy of the procurement documents, desire additional information related to this sole source procurement, or contest it, for any reason, should contact the Issuing Procurement Unit Contact person listed above.

The final decision for this sole source procurement will be made no earlier than April 22, 2026 at 12:30 PM.
